Dear Students, Parents and Guardians:

Student Transportation Services (STSCO) is the organization responsible for overseeing student busing for your School Board. This letter is intended to clarify Board Policy and the process for applying for Out of Boundary transportation, it is applicable to those who live outside of the boundary to the school of their choice and who are not eligible for transportation under School Board Policy as a result.

If you wish to have an Out of Boundary transportation request reviewed by STSCO in advance of the start of next school year, you must submit an Out of Boundary Transportation Request through the Parent Portal link on our website at www.stsco.ca by **D Ç 1st**

st will not be processed until after October 1st of the next school year.

- x Bus routes change from year to year, which is why the request must be made annually.
- x To obtain an update on the status of your request, please visit www.stsco.ca and click the "Parent Portal" link.

Please keep in mind that our priority is to accommodate eligible students who live within the school boundary and outside the school's walk zone. STSCO will make every effort to fulfill out of boundary transportation requests, however those families who are not contacted by July 15th should understand that their request cannot be accommodated as there is no space on area bus routes. As a result, those families should make a visit our website, www.stsco.ca, or contact the STSCO office, at either (705) 748 5500

STSCO wishes students all the best in the coming school year.

Student Transportation Services of Central Ontario (STSCO)
